

Song No. 7
Gabriel Rios

(intro)

I Emin **I G** **I C** **I B** **I B** **I**

Emin **I G**

Once again love brought me to my knees

C **I B**

I was not looking for the answer I was trying to break free

Emin **I G**

And all the worn out choruses and songs were not for me

C **I B** **I B**

When you got me looking like the only one

Emin **I G**

I'm the only one, I'm the only one

C **I B**

There ain't no other man no other story now that you belong

Emin **I G**

to the only one, I am the only one

C **I B**

and you been looking for me, here inside a broken song

A **I G**

that no-one else can even hear

I Emin **I G** **I C** **I B**

(whistle)

Emin **I G**

See, I'm not buying all that mystery

C **I B**

But I praise the gathering of consequences having me believe

Emin **I G**

that a wise old wind came rolling in shaking up the trees

C **I B**

and saw you all the way to me

Emin **I G**

You're the only one, you're the only one

C **I B**

There ain't no other man no other woman now that you belong

Emin **I G**

to the only one, I am the only one

C **I B**

and I'll be waiting for you, here inside a broken song

A **I G**

that no-one else can even hear

A **I C**

just like no-one else ever will

Emin **I G** **I C** **I B**

Oh of all the pretty children picking up breadcrumbs

Emin **I G** **I C** **I B**

Praise the sounds and siren calls that led you to myself

Emin **I G** **I C** **I B**

I no longer wonder why

Emin **I G**

you are the one, you are the one

C **I B** **I B** **I B**

If I can say so myself

Emin **I G**

You're the only one

C **I B**

hmmm hmmm

Emin **I G**

We are the only ones

C **I B**
hmmm hmmm

Emin **I G** **I C** **I B**
(whistle)
