

'WORK SONG'
from This Marauder's Midnight
lyrics by Gabriel Rios

*

All that trouble will be mine
hallowed be thy name
And that storm that's raging on inside
calling out your name
Heavy is your heart
ringing like a bell
Heavy is your heart
ringing like a bell

Here's a little bit of mine
Can you hear me calling?
Now here's a little bit of mine
Can you hear me calling?

Can you hear me calling?
Can you hear me calling?
Can you hear me calling?

Now here's a little bit of mine
Can you hear me calling?
Here's a little bit of mine
Can you hear me calling?
